YOUR LUXURY SIDE

Marina Cala de' Medici is a modern tourist port located in the heart of the Tuscan coast, between Castiglioncello and Rosignano Solvay. With 650 berths spread across 7 fixed piers, 3 floating pontoons, and a breakwater, the marina is well-protected and offers 24/7 mooring assistance from a dedicated team of dockhands.

Conveniently located just 44 km from Pisa Airport and a short drive from the A12/E80 Rosignano highway exit, it's easily accessible whether you're arriving by air or road.

With its prime location between the Ligurian and Tyrrhenian Seas, Cala de' Medici is the perfect gateway to Tuscany's stunning landscapes, rich history, and world-renowned food and wine.

KEY FEATURES

EXPLORE THE REGION

Set sail from **Marina Cala de' Medici** and discover a world of natural beauty and culture. Just a short distance away lies the **Tuscan Archipelago National Park**, Europe's largest marine park, home to Elba Island and Capraia Island.

Both islands are part of the **Pelagos Sanctuary**, a

protected marine area of over 90,000 km² created through a collaboration between Italy, Monaco, and France.

For those looking to venture further, northern **Corsica** is within easy reach, offering breathtaking landscapes and vibrant local culture.

Discover Tuscany

ART, HISTORY AND FLAVORS

Beyond its seaside charm, Marina Cala de' Medici is your perfect base for discovering Tuscany's rich culture and iconic cities.

- Florence**, the cradle of the Renaissance, with world-famous art and architecture
- Siena**, known for the Palio and its medieval old town, a UNESCO World Heritage Site
- Pisa**, famous for its Leaning Tower
- Lucca**, celebrated for its perfectly preserved Renaissance walls
- Arezzo**, known for its goldsmith tradition and historic charm
- Volterra** and **San Gimignano**, step back in time in these medieval villages
- Chianti** and **Val d'Orcia**, renowned worldwide for their wines and locally inspired cuisine

A journey that touches all your senses and leaves unforgettable memories.
